## LOCAL RC&D PROJECTS

### NASA SOLUTIONS NETWORK PROJECT

With a \$1.6 million grant from NASA, and in partnership with local, regional and national organizations, the NOP RC&D has brought NASA tools and technology to natural resource managers in the Dungeness and Elwha Watersheds to improve streamflow forecasting and decision-making for water management.

### CLALLAM BAY LIBRARY EXPANSION

The NOP RC&D helped to secure \$30,000 from the Paul G. Allen Foundation on behalf of Friends of Clallam Bay Library to expand and upgrade this rural library.

# Become an NOP RC&D Member today!

You can help us *make things happen!* There are many opportunities to get involved with the NOP RC&D. We seek private citizens, businesses, and organizations to become members of RC&D, to participate in planning projects, identify local resource priorities, or help to support the organization with a financial donation.

You may already be involved in a community project which could benefit from RC&D program involvement or assistance. We may be able to provide technical assistance or funding, or connect you with private and public organizations, which can help your group achieve its goals. Contact us today to find out more!
